Special procedures

Fire Fighting Measures

CO₂, Foam, Dry powder, water spray.
Wear self-contained breathing apparatus. Wear protective clothing to prevent contact with skin and eyes.

Section 6

Clean-up procedures

Accidental Release Measures

Not applicable.

Section 7

Handling
Storage

Handling and Storage

General good housekeeping practices. Avoid humid and elevated temperatures. May be combustible.
Store in cool, dry conditions, away from oxidising materials.

Section 8

Hazardous components
None
Engineering measures
Respiratory protection
Hand protection
Eye protection
Skin protection

Exposure Controls/ Personal Protection

Workplace exposure limits (WELs)
None required.
Not required.
Not required.
Not required.
General workwear.

Section 9

State: Fabric Colour: White

Physical and Chemical Properties

Odour: Negligible Solubility: Insoluble in water and most organic solvents.

**Section 10**

Stability
Conditions to avoid
Materials to avoid
Decomposition products

Stability and Reactivity

Stable
Avoid excessive heat for prolonged periods.
Hot diluted and cold concentrated acids dissolve the fabrics.
Oxides of carbon will be released if involved in a fire.

**Section 11**

Chronic toxicity:

Toxicological Information

No evidence of toxic effects.

**Section 12**

Persistence and degradability:

Ecological Information

Not regarded as dangerous for the environment.

**Section 13**

Disposal operations

Disposal Considerations

Contact licensed waste disposal company. May be sent for incineration.
NB: The user's attention is drawn to the possible existence of regional or national regulations regarding disposal.

**Section 14**

UN Number:
Tariff Number:

Transport Information

Not classified for transport purposes.
48182091

**Section 15**

Regulatory references:

Regulatory Information

Regulations (EC) No 1272/2008 on classification, labelling and packaging of substances and mixtures, amending and repealing Directives 67/548/EEC and 1999/45/EC, and amending Regulation (EC) No 1907/2006 with amendments. Regulation EU 453/2010 amending Regulation (EC) No 1907/2006.

**Section 16****Other Information**

N.B. This SDS gives a summary of the product's classification and hazards under the CLP Regulations, the full version is available from the office.

Always use in accordance with manufacturer's directions.
