

UP-MARK-IT OUTLINE

Multi-purpose, high quality line marking system

Up-Mark-It is a superior line marker with outstanding resistance to abrasion and chemical solvents

What is Up-Mark-It Outline?

Up-Mark-it Outline is a blend of high-quality acrylic polymer and lead-free pigments in a rapid evaporation solvent blend. Use Up-Mark-It Outline for a wide range of purposes and on a wide variety of surfaces, including grass, astro-turf, tarmac and concrete.

Up-Mark-It Outline is ideal for marking pitches for football, rugby and hockey as well as creating car parking spaces and important markings for airports, factories and schools.

How does Up-Mark-It Outline work?

Up-Mark-it Outline combines lead free pigments and high quality acrylic polymers with Xylene-free solvent for a simple to use, rapid drying line marking system.

Key Features and Benefits of Up-Mark-It Outline

Easy to apply – either by hand or using a line marking machine.

Uses Xylene-free solvent.

Lead-free pigments.

Superior durability.

Fast drying – dries in approximately 30 minutes and is fully cured in 24 hours.

No skill level or special equipment required for application.

Use on a wide range of materials including grass, astro-turf, tarmac, timber, concrete and more.

Ideal for use in schools, factories, leisure centres, airports, road-ways, footpaths, sports pitches.

Directions for storage and use

Store at temperatures between 10°C and 25°C, away from direct sunlight and below 50°C.

Shake can vigorously until the agitator ball rattles, then shake for a further 1 to 2 minutes.

Check surfaces to be marked are clean, dry and free of dust.

If the nozzle becomes blocked during use, stand aerosol upright and repeatedly depress nozzle until it clears.

Shelf life of 3 years.

Coverage is dependent on the type of surface and its porosity.
