TECHNICAL DATA SHEET **RED RAG**

INDUSTRIALMAINTENANCEGROUP

Natural Force

Amazing cleaner and degreaser without the use of hazardous chemicals.

Made from a highly concentrated natural solvent mixed with powerful cleaners and foaming agents. Natural force aerosols provide high strength which is simple to use.

What is Natural Force?

Natural Force Foaming Aerosol is a highly effective cleaner, degreaser and deodoriser in a convenient foam formulation. Containing the natural citrus extract dextro-limonene, Natural Force Foaming Aerosol is ideal for use in food preparation premises as it instantly dissolves natural animal fats and vegetable oils.

How does Natural Force work?

The effective formulation of Natural Force Foaming Aerosol contains no harmful solvents; instead using a low-toxicity, stable foam, which makes it ideal for a range of purposes. The stable foam will remain in place and will not run down walls. As Natural Force Foaming Aerosol formulation is non-caustic and non-corrosive it can be used on a wide range of surfaces including rugs and carpets for spot removal.

Product Information

Always ensure that precautionary measures found in the MSDS sheet for Natural Force Foaming Aerosol are read and followed before use.

Key features and benefits of Natural Force

- Highly effective cleaning action on animal fats and vegetable oils.
- Low toxicity, non-caustic, non-corrosive formulation protects surfaces.
- Natural citrus extract dextro-limonene deodorises and cuts through grease.
- Ideal for use in food preparation premises.
- Bio-degradable.
- Can safely be used on a wide range of surfaces including: Ceramic, marble, porcelain, finished wood, linoleum, Formica, brass, stainless steel and other metals, vinyl tile, quarry tile, concrete, stone, industrial equipment, vehicle tyres, colourfast carpets and rugs.
