AIRMIST

Introducing our high-concentration, fast-acting air freshener, designed to effortlessly eliminate even the toughest odours

Airmist is a powerful air freshener that uses modern day technology to remove bad smells quickly, replacing them with lovely natural smells without using propellants.

What is Airmist?

Introducing Airmist, a concentrated air freshener designed to tackle even the strongest odours with ease. Made from natural ingredients and essential oils, Airmist not only freshens your space but also ensures a healthier environment. Packaged in eco-friendly materials, it offers a sustainable choice for those who care about the planet. Perfect for any room, Airmist provides a powerful and natural solution to keep your surroundings smelling fresh and clean.

How Does Airmist Work?

Airmist is packaged in a safe-use spray bottle that evenly disperses droplets, eliminating the need for environmentally harmful aerosols.

The solution utilizes advanced sensory blockers to help the brain ignore unpleasant odours, replacing them with the finest natural fragrances. It provides instant relief from lingering bad smells, keeping areas fresh for extended periods. Additionally, Airmist is effective on fabrics and carpets, ensuring a comprehensive solution for a fresher environment.

Key Features and Benefits:

- Heavy-duty formulation suppresses bad smells and refreshes instantly.
- Natural but highly concentrated essential oils provide a pleasing fragrance.
- Highly innovative Airmist dispenser.
- Environmentally friendly - Does not use any ozone damaging gasses in the reusable Airmist spray container.
- Sprays at any angle.
- Freshens fabrics and carpets.

AIRMIST

Introducing our high-concentration, fast-acting air freshener, designed to effortlessly eliminate even the toughest odours

Instructions for Use:

To freshen a medium to large room, simply spray once in each of the four corners and allow the fine mist to circulate. For localized odours, focus Airmist directly on the affected area. Please note that this product is more strongly scented than others on the market, so use it sparingly.

Storage Recommendations:

Store in temperatures between 5 - 30°C. Do not freeze this product. Shelf life for this product is 1 year after date of sale. Comes in 300ml spray bottles, ready for use.

Health and Safety:

Please ensure you have fully read and understood the contents of the product label and the safety data sheet before use. DO NOT spray excessive amounts of this product in areas which are confined and/or have limited ventilation.
