

ReOdouriser

Re-odourise problem areas with an amazing Linen Fresh smell

What is Linen Fresh ReOdouriser?

Linen Fresh ReOdouriser is an odour suppressor for use in the most extreme odour situations.

How does Linen Fresh ReOdouriser work?

Linen Fresh ReOdouriser uses sensory blockers which stop unpleasant malodours registering when you breathe and adds a fabulous Linen Fresh smell.

It is chemically safe to be used on a daily basis and is ideal for instant relief for temporary odour problems, as well as being powerful enough to deal with continuous issues like waste compactors.

Key Features and Benefits of Linen Fresh ReOdouriser

- Heavy-duty formulation absorbs bad odours and masks unpleasant smells instantly.
- Linen Fresh fragrance absorbs malodours.
- Choice of use – neat, diluted in spray form or in fogging machines depending on severity of malodour.
- Suitable for all industrial and commercial premises including refuse areas, tanneries, offal dumps, septic tanks and compactors.

Instructions for Use

Linen Fresh ReOdouriser comes in a concentrated liquid form. Increase or reduce dilution rates to suit circumstances.

- General Re-odourising: dilute 1 part Linen Fresh ReOdouriser to 80 parts water.
- Extreme Re-odourising: use Linen Fresh ReOdouriser neat.
- Re-odourising with a fogging machine: dilute 1 part Linen Fresh ReOdouriser with 10 parts water. Use for re-odourising large areas such as conference rooms.
- Re-odourising through large sprayers – dilute 1 part Linen Fresh ReOdouriser with 10 parts water. Use for re-odourising wheelie bins, food waste bins, refuse areas and spillages.

Health and Safety

Before use, it is important that you have read the Safety Data Sheet in its entirety and the appropriate PPE is worn during use.
