

best in its field - no bull!

Reodouriser

Heavy duty odour suppressor, made from natural ingredients and for the most extreme odour situations.

Reodouriser uses modern day technology and premium natural ingredients to remove bad smells quickly, ensuring a sweet smelling environment without using propellants.

What is Reodouriser?

Red Rag's Reodouriser is a highly concentrated odour-refreshing solution designed to tackle even the harshest smells. Formulated with natural ingredients and essential oils, Reodouriser offers a powerful and eco-friendly way to refresh any space. Its versatile application makes it suitable for a wide range of environments, ensuring a fresh and pleasant atmosphere. Packaged in eco-friendly materials, Reodouriser is the perfect choice for those who prioritize both effectiveness and sustainability.

How Does Reodouriser Work?

Reodouriser employs advanced sensory blockers to help the brain ignore unpleasant odours, replacing them with the finest natural fragrances.

TECHNICAL DATA SHEET RED RAG

INDUSTRIALMAINTENANCEGROUP

It offers instant relief from lingering bad smells, maintaining freshness for extended periods. Versatile in its applications, Reodouriser can be used in restrooms, refuse areas, septic tanks, offal dumps, and more. Depending on the situation, it can be used neat, diluted, or in fogging machines.

Key Features and Benefits:

- Heavy-duty formulation suppresses bad smells and refreshes instantly.
- Natural but highly concentrated essential oils provide a pleasing fragrance.
- Environmentally friendly packaging and product, more sustainable than aerosols or other refreshers on the market.
- No chlorobenzenes or other harmful chemicals.
- Use neat, dilute, or in fogging machines.
- Freshens fabrics and carpets.
- Can be used in a wide range of applications.
- Can come in a range of natural fragrances.

Instructions for Use:

For general use, dilute one part of your chosen Reodouriser with 80 parts water. For heavy-duty situations, use the product undiluted. When using a fogging machine, ensure the product is diluted at least 10 times with water. Please note that this product is more strongly scented than others on the market, so use it sparingly.

Health and Safety:

Please ensure you have fully read and understood the contents of the product label and the safety data sheet before use. DO NOT use excessive amounts of this product in areas which are confined and/or have limited ventilation.

Storage Recommendations:

Store in temperatures between 5 - 30°C. Do not freeze this product. Shelf life for this product is 1 year after date of sale. Comes in 1L bottles, ready for use.
