# Sani Clean

A highly effective cleaner and disinfectant

TECHNICAL DATA SHEET **RED RAG**

INDUSTRIALMAINTENANCEGROUP

## A cleaning and disinfecting formulation that will deep clean any surface

### What is Sani Clean?

Sani Clean is a high quality hard surface cleaner and disinfectant. It destroys bacteria, fungi and mildew on contact, whilst cleaning away dirt and grease, leaving the area fresh and clean.

Sani Clean is a safe to use product that will clean, disinfect and deodourise all hard surfaces in one simple step.

### How does Sani Clean work?

Sani Clean combines the unbeatable cleaning power of a broad spectrum disinfectant, with degreasers and leaves hard surfaces spotlessly clean and hygienic. Sani Clean's effective formulations means that it is suitable for use in commercial, domestic and industrial premises.

### How to get the best results

For cleaning and disinfecting all hard surfaces, spray Sani Clean onto the surface, leave for a few moments and wipe off with a clean cloth or paper towel.

For disinfecting urinals, spray onto all surfaces and into the drains as often as required.

### Key features and benefits of Sani Clean

- Effective cleaner and degreaser for all hard surfaces.
- Broad spectrum disinfectant removes harmful bacteria, mildew and fungi.
- Application via conventional bottle sprayers.
- Refills are available separately.
- Ideal for use in public areas such as offices, hotels, changing rooms, shower blocks and schools.
- Excellent for cleaning, sanitising and re-odourising urinals and toilet blocks.
- Safe to use on stainless steel, plastics, ceramics, tiles, concrete and painted surfaces.

### Health & Safety

Sani Clean is packed into 1 litre bottles that can be used with conventional sprays.

Before use, it is important that you have read the Safety Data Sheet in its entirety and the appropriate PPE is worn during use.
