

Shine Bright Extra

A high quality, high solids metallised floor polish

Give your floors a mirror shine with Shine Bright Extra

What is Shine Bright Extra?

Shine Bright Extra is a high quality, metallised floor polish that gives floors a mirror like shine.

How does Shine Bright Extra work?

Shine Bright Extra contains 25% solids. These solids are polymer molecules that will be left on the floor when applied and give the floor its shine!

Key Features and Benefits of Shine Bright Extra

Dries to give a high gloss finish.

Dries to give a slip, soil, scuff, water and detergent resistant finish.

Long lasting shine.

Will not yellow after application.

Suitable for most floors including linoleum, rubber, vinyl, tiles etc.

How do I use Shine Bright Extra?

Use Shine Bright Extra undiluted. Ensure floor to be polished is clean and dry.

1. Pour polish into a bucket and place mop into polish.
2. Squeeze surplus polish to remove excess and apply to the dry, clean floor – thinly and evenly.
3. Further coats may be necessary. Apply at right angles to the previous coating.
4. Leave the polish to dry for approximately 30 minutes between each coat.
