

## QUALITY POLICY STATEMENT

At The Industrial Maintenance Group Ltd:

We are dedicated to supply products that consistently satisfy our customer needs and expectations. We are committed to continuous improvement activities achieved by setting objectives and targets within the framework of our Quality Management System.

Procedures defined in our Quality Manual are adhered to by all employees across the organisation and are designed to control and monitor all our products to meet with customer, statutory, regulatory and other applicable requirements.

Our system is based upon the requirements of BS EN ISO 9001:2015 and is continually audited and improved to enable us to provide both a quality product and an excellent service to our customers.

Roger Gundry  
Managing Director
