# Clean & Gleam Glass Wipes

## A powerful streak free glass cleaning wipe

### What are Clean & Gleam Glass Wipes?

Clean & Gleam Glass Wipes have a powerful cleaning solution impregnated into a soft, versatile, particle free cloth. The solutions formulation is specifically designed to instantly dissolve grease, dirt, oil, and fingerprints from glass surfaces in a simple one-cloth operation, leaving a sparkling, streak free finish. Clean & Gleam Glass Wipes unbeatable effectiveness gives amazing results whilst also saving you time and money.

### How do Clean & Gleam Glass Wipes work?

Simply wipe the cloth across the surface. It immediately goes to work, dissolving grime, insect matter, and grease, to leave the glass clear and streak free. The compact and transportable bucket with re-sealable lid, allows for use in any environment, as no water, sprays or dusters required. Once you've finished, simply click the lid shut and store away for future use.

### How to get the best results

Simply remove a cloth and wipe over the surface. For excessive, long term soiling, we recommend you wipe the surface over with a damp cloth first.

### Key features and benefits of Clean & Gleam Glass Wipes

- Revolution in streak free cleaning for internal and external use
- Saves time and money as no sprays or extra dusters required
- Dissolves a variety of contaminants such as dirt, grease and insect matter
