

Professional Range

Power Blocks

Enzyme

BIO PRODUCT

CLEANER

REODOURISER

DRAIN MAINTAINER

Product Description

A lemon scented urinal deodoriser and freshener with powerful enzyme action. Each block combines chemical cleaning agents with safe, biological activity to remove the solids which cause blockages and washroom odours.

Additional benefits include, reducing the water flush frequency and typically 100,000 litres of water can be saved just by reducing flush intervals to between four and six times every 24 hours.

Direction for Use

Add a handful or two to urinals. Replenish as required. Wash hands after contact or wear gloves to protect hands. Do not use in conjunction with other cleaning products.

Storage

- Store in cool conditions away from direct sources of heat.
- Avoid extremes of temperature.
- Do not allow to freeze.
- Ensure the cap is tightly fitted after use.
- Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended. Use within 6 months of opening.

Environmental

Do not allow to enter surface waterways.

Notes

Packaging is made from recyclable materials.
