CLEANER

REODOURISER

DRAIN MAINTAINER

Product Description

A long lasting larger toilet deodorising block for use in channel and single urinals. Freshens the urinal bowl.

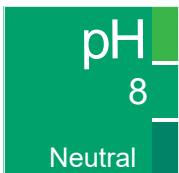

Direction for Use

Water soluble and do not evaporate.

Do not contain harmful PDCBs, making them safer to use, even where children may be present.

The blocks are stable until water is flushed over them when they become activated and reduce any fats, organic matter and wastes present.

Each time the system is used, a cleaning solution is flushed into the pipes to keep them clean and clear.

Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the lid is tightly fitted after use
- Keep out of reach of children

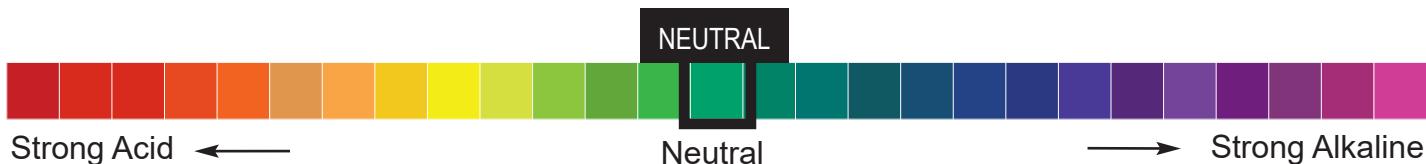

Shelf Life

Shelf life 24 months, if stored as recommended. Use within 6 months of opening.

Environmental

Biodegradable. Not likely to present a hazard to the environment. However, should not be allowed to enter waterways in concentrated form.

None of the components of this product are animal derived.
