

CLEARLY BLUE

Sub-heading: A neutral cure silicone sealant

Description: This neutral cure silicone sealant is designed to be used in food processing areas, reducing the risk of undetected foreign body contamination of food.

Potential Uses:

- Windows
- Doors
- Wall panels
- Machinery
- Finishing
- Basins and other sanitary ware
- So much more...

Application Conditions:

- Great adhesion to masonry, aluminium, PVC-U, most other plastics, glass, lead, stone, and polycarbonate
- Service temperature between -30°C and 150°C

How it comes:

- 310g tube of sealant
- To be used with a standard applicator/sealant/caulking gun
- Can come in white or blue
- 32cm long (including nozzle), 5cm diameter

Health and Safety:

Please always read the label and Safety Data Sheet before using. Contains N-(3-(Trimethoxy silyl)propyl)ethylenediamine. May produce an allergic reaction.

What is Clearly Blue?

Clearly Blue is a strong and flexible silicone sealant, that is perfect for use on a wide range of applications. It's safe for use formula makes it ideal to be used in food preparation areas, which means there will be a reduced risk of food contamination.

How does it work?

Like most caulks on the market, it's as simple as applying directly to the area and allowing to cure. Once dried, the sealant offers great strength and durability. Tried and tested to work on a wide range of substrates (see application conditions).

Key Features and Benefits:

- Neutral cure silicone which offers better adhesive properties
- Detectable by standard metal and x-ray detection systems
- Long shelf life – 12 months unopened
- Not safe for food contact
- Unpalatable to rodents
- Contains no diisocyanates
