# Eliminator Bulk

## Carpet Cleaner

### Lifts and removes dirt and grease Reodouriser

#### What is Eliminator Bulk?

Eliminator Bulk is a powerful solution that lifts and removes heavy grease and oil-based stains from carpets and other textile fibres.

Designed for use with a carpet cleaning machine, Eliminator bulk is perfect for large scale grease and dirt extraction.

#### How to get the best results

The readily diluted solution can be applied in 4 simple steps;

1. Pre-test for colour fastness.
2. Fill the carpet cleaning machine tank with solution / apply evenly with a manual pump-sprayer (Do not over-soak).
3. Allow to dwell for 5 minutes before extraction.
4. Extract with warm water for best results.

#### What is Eliminator Bulk

Quick and Easy way to remove stains from natural and synthetic textiles designed for use with carpet cleaning machines.

Eliminator Bulk is a unique and powerful solution designed to breakdown heavy grease and oil-based stains. The 3 in 1 product combines deep cleaning, low pH, and self-neutralising technologies, making this the ideal product for public and industrial spaces such as; hotels, shops, hospitals, restaurants, and many more!

### TECHNICAL DATA SHEET RED RAG

INDUSTRIALMAINTENANCEGROUP

#### How does Eliminator Bulk work?

The specific formulation intensely penetrates carpet or textile fibres to release soils and deposits. Malodour counteractions remove any bad smells, leaving behind a beautiful floral scent. Eliminator is 100% effective and safe for most colour-fast fabrics and carpets. Always do a spot test on an area out of sight to ensure colour fastness.

#### Key features and benefits of Eliminator Bulk

- 100% effective on spots and stains.
- Unique formulation gives a deep clean.
- Ideal for use on carpets and other synthetic textiles.
- Controls odour instantly.
- Freshens and brightens.
- Leaves no residue.
- Use on heavily soiled carpets for grease, oil, mud, food, drinks and many more.
- Perfect for use in hotels, restaurants, shops, schools, colleges, and many more.
- Low foam.
- High solvency.

#### Product Information

Always ensure that precautionary measures found in the MSDS sheet for Eliminator are read and followed before use.
