

best in its field - no bull!

# Stikeeze

Strong, fast acting spray adhesive.

TECHNICAL DATA SHEET **RED RAG**

INDUSTRIALMAINTENANCEGROUP

**A quick and safe spray adhesive in an aerosol that will glue anything from paper to plastic instantly.**

## What is Stikeeze?

Stikeeze is the simple, fast way to bond a wide range of materials in seconds. Use Stikeeze on carpets, floor tiles, laminates, wood, upholstery, and many more. Ideal for fixing loose flooring, car trim and wall signage. Stikeeze even bonds dissimilar materials together with ease, whilst remaining heat and water resistant.

## How does Stikeeze work?

Stikeeze is a strong adhesive delivered in aerosol form which allows efficient and fast bonding for virtually any surface. To use Stikeeze simply shake, spray, allow the adhesive to become tacky by drying for around 4 minutes, then press the surfaces together. The bond is effected immediately. Invert can when finished and spray for 2 seconds to clean nozzle and avoid blocking.

## Product Information

Always ensure that precautionary measures found in the MSDS sheet for Stikeeze are read and followed before use.

This product is not recommended for plasticised PVC & polystyrenes. If in doubt, check test on a small test area before use.

## Key features and benefits of Stikeeze

- Fast-bonding, adhesive action for virtually any surface.
- Heat and water resistant
- Aerosol delivery gives effective control over surfaces to be bonded.
- No mixing or curing times.
- Ideal for a range of purposes including flooring repair and car interior repair.
- Stikeeze will bond cork, felt, foam, wood, glass, plastics and many more.
- Bonds dissimilar materials together.
